

The actual number of companies to be formed will depend on the situation, which is made by each company being recommended by Area Headquarters to the Command or District concerned.

Each Garrison Company will be numbered and have the title of the Regiment, whose Training Battalion is responsible for forming it, preceded by the words "Garrison Company", e.g., No. 1 Garrison Company, 1st Punjab Regiment, etc.

It is not intended that a Training Battalion shall have more than the one Garrison Company at a time.

2. *Indian Duty Companies at the sole of one per Training Battalion, Indian Infantry and Pioneer, will also be raised under the orders of the Executive Officer, Command-in-Chief, on establishment.* These units will have as strength of Training Battalions. It will be referred to as all companies as the "Duty Company, Regiment."

The role of these Duty Companies is to perform routine duties in a Training Battalion, such as are normally performed in posts by duty men attached from Active Battalions. Their formation is now still given effect the need of regular personnel for more active employment.

3. The terms and conditions of service under which the personnel of Indian Garrison and Duty Companies will be employed are shown in Appendix II. Subsidiary instructions may be issued, as occasion demands, under the orders of the Executive Officer, Command-in-Chief.

4. The establishment of an Indian Garrison Company and an Indian Duty Company are laid down in War Establishment, India, the latter under the establishment of a Training Battalion, Indian Infantry and Pioneer.

5. Special orders regarding the incidence of expenditure will be issued in all concerned when any Indian Garrison or Duty Companies are formed.

APPENDIX II.

1. *Recruiting.*—For purposes of recruiting, raising and maintaining up to establishment, Indian Garrison Companies will be affiliated to Indian Infantry and Pioneer Training Battalions as shown in the accompanying statement.

2. *Registration in Force lists.*—Officers Commanding Pioneer Battalions will in force lists maintain registers, containing particulars of civilian officers and companies who are eligible and willing to serve in either Garrison or Duty Companies, separate registers being maintained for each company. No payment will be made on registration and no return fee will be levied.

3. *Special forms for use on registration (I.A.F.F. 942) and for filling up lists on submission (I.A.F.F. 943-4) have been introduced and will be supplied on request to registration officers.*

4. *Procedure on Mobilization.*—(a) On general mobilization the Officer Commanding the Training Battalion will immediately call up all men registered for employment with the Duty Company of his Training Battalion. From the date on which they join, they will become part of the Training Battalion and take part, at the discretion of the Command-in-Chief, routine duties normally performed by duty men attached from Active Battalions.

(b) On receipt of a notice calling for duty, the Officer Commanding Training Battalions will also call up the men registered for the Garrison Company attached to his Training Battalion, and will be responsible for training them to the extent required to fit them for their duty. When, in the opinion of the local General Officer Command-in-Chief, a Garrison Company is fit for the purpose, it may be ordered to proceed on the status allotted to it for employment.

The Officer Commanding the Training Battalion will not be in any way responsible for the Garrison Company after its departure from the Training Battalion station until its return thereto, except in regards its maintenance up to strength. He will have full discretion in the selection of men for duty with the Garrison Company.

4. *Eligibility.*—All civilian officers and companies, including reservists, who are considered fit for service in the Force will not be accepted, as they might affect duty seriously rendering for the fighting service. With a registration number for these companies personnel will be given to personnel and men of any arm of the service who have completed their reserve service.

5. *Terms of service.*—(a) *Mobilization.* Officers will be re-employed in the permanent rank held by them on recruitment. They will, however, be employed, with due consideration to their rank and seniority, in the posts for which they are considered suitable by the Officer Commanding Training Battalions to which they are attached and will receive the pay and allowances of the permanent rank held within the region and numbers authorized in War Establishments for Indian Garrison or Duty Companies, respectively, as awarded by the establishments of similar appointments in permanent units.

(b) *Indian non-commissioned officers and men* will be re-employed in the rank considered most appropriate to their previous rank, and to their qualifications at the time of re-employment.

(c) *Service* will be for the period of the war (or emergency) and twelve months thereafter from date of re-employment or re-enlistment, provided that their service can no longer be required.

(d) *Enlistment and attestation* will be on Indian Army Form F.1203. Attention will be given to immediately an enlistment.

(e) *Promotion* in and to Indian non-commissioned and non-commissioned rank may be made on approved in accordance.

(f) *Garrison companies* will not be employed on field service or beyond the frontier of India and Burma.

6. *Class Companies.*—In far as possible the class composition of the Garrison and Duty Companies will correspond to that of the Active

* *Notes.*—A departure may only be made from the rules authorized for particular appointments in the War Establishments of an Indian Garrison or Duty Company, so long as no return is involved, e.g., a Reserve may be considered as a Reserve Company with the pay of a Reserve when the two separate ranks of Reserve Companies in the company, that may with them the rank of Reserve are already filled by active reserve establishments.

Reduction of the Regiment to which they are attached or belong. The proportion of claims to be considered is left to the discretion of the Training Division Commander.

7. **Pay and Allowance.**—(a) The Officer Commanding the Garrison Company will be entitled to pay an allowance in all cases supplementary employed.

(b) While actively employed, Indian officers and other ranks of Indian Garrison and Duty Companies will be entitled to emoluments as follows:—

- (1) Pay of rank of Indian Infantry rates;
(2) Rate pension already earned;

(3) This good service, good conduct or proficiency pay—(a) During service in the rank of company, good conduct or proficiency pay in the rate in which entitled immediately prior to discharge. (b) On promotion to non-commissioned rank, good service pay or the good conduct pay to which the addressee's character and service on the service list, viewed on that of a company, would entitle him, whichever is more favorable.

Service rendered in Garrison Companies when actually called out for service will count as qualifying service for purposes of either good conduct or good service pay whichever amount may be most favorable to the individual concerned.

(4) Service with Garrison and Duty Companies will count as qualifying service for pension in cases where a pension has not already been earned, but in no case will such service be permitted to count towards any increased rate of pension where pension has already been earned.

(5) The following company allowances will be admissible:—

(a) An initial grant of Rs. 50 on issue of purchase of books and stationery.

(b) A monthly allowance of Rs. 50. These allowances will be drawn on the following conditions:—

(c) Half the monthly allowance when the company is started.

(d) The full allowance when the company is started.

8. **Uniform.**—Five uniforms while employed as recruits to the Indian Army—vide Order of Rules and Supplies issued by the Indian Army Service Corps.

9. **Passages.**—Free passages by rail, road, river and sea, from their place of residence to the unit and thence to their homes on demobilization.

10. **Farewell and Leave.**—Casual leave only will be admissible during the first year's service in Garrison and Duty Companies, after which two months' farewell may be granted biennially at the discretion of the Officer Commanding Company or Battalion respectively.

On demobilization, one month's leave on full duty pay will be granted.

11. **Fallowers.**—Will be engaged on their full complement of the lowest rates of pay at which they are admissible locally [Army Instruction (India) No. 107 of 1933].

12. **Equipment of Clothing.**—No clothing allowance will be admissible. Clothing and equipment will be issued on the scales laid down in Field Service Manual and will remain the property of Government.

13. **Typewriter.**—A typewriter will be supplied by the Deputy Controller of Stationery, Calcutta, on demand by the Commandant of the Garrison Company.

14. **Privileged Privileges.**—Verification of all men registered for duty with Indian Garrison and Duty Companies will be carried out annually by Local Governments on account with showing last known addresses which will be applied to them by District Commanding, Training Battalions, on the 1st April of each year. In the case of persons who reside in the Indian States of Punjab, Kashmir and Sindh the verification will be carried out by means of reply-paid postcards dispatched to them registered by Officers Commanding, Training Battalions.

action and obligations imposed upon them by this licence throughout the area of supply shall remain enforceable subject to the Government of Madras under that clause in nine months from the commencement of the licence.

(k) The period within which under clause 1 (4) of the Schedule to the Act the licensee shall deposit security and the sum as to be deposited shall within six months of the date of the Government of Madras in six months and report the same accordingly.

2. Area of supply.—The area within which the supply of energy is authorized by this licence or the whole of the area included within the village limits of Thiruvananthapuram, Changanassery, Marayathur, Alappuzha, Changanassery and Ponnani and more particularly delineated upon the deposited map by a and line enclosing the said area.

3. Purpose of supply.—Subject to the provisions of this licence and the Act and the rules thereunder the licensee shall be entitled during the continuance of this licence to supply energy within the area of supply for all purposes.

Provided that the licensee shall not without adequate notice being served on them be under any obligation under section 22 of the Act to supply power except that is consistent with their obligation to maintain a constant supply to consumers as required being laid to the licensee's best effort.

Provided that no supply of energy shall be commenced to be given by the licensee to consumers or acceptance of private premises until the Government of Madras have approved the terms of regulation to be made by the licensee or accepted for each supply of energy and also the form of written contract or agreement with the licensee to take a supply of energy, which is to be executed or entered into by the licensee or consumers and until the Government of Madras have also approved the contents of all instruments charges incidental to or in connection with such supply and which the licensee proposes to make, and until the licensee's works have been passed in writing by the Electrical Inspector to the Government of Madras.

4. Systems of supply.—(1) The systems to be adopted for the supply and transmission of electric energy under this licence are the following:—

(a) A medium pressure alternating current three phase line with supply at a pressure at the consumer's terminals of 400 volts (approximately) between phases and 230 volts between phase and neutral which shall be carried at one point only as each separate distributing system at a frequency of fifty complete periods per second.

(b) A high pressure alternating current three phase supply at a pressure not exceeding 6,000 volts between phases at a frequency of fifty complete periods per second.

(c) The internal parts of the high pressure system may, with the approval of the Government of Madras and the concurrence of the Electrical authority, be converted to earth.

Provided always that it shall be lawful for the Government from time to time to make, with due regard to the expense involved and to the effect upon the emergency prospects of the undertaking, regulations dealing with the above systems of supply or to otherwise subject to such limitations and conditions as shall be prescribed

in writing by the Government after approval of supply to be adopted for the purpose of this licence.

(2) The transmission lines, feeders, distributing mains and service lines may be carried on underground in whole or in part, and shall be erected, constructed and maintained by the licensee as and so far as may be required by the rules thereunder and the following provisions:—

(a) The licensee shall not use overhead mains at any higher pressure than medium pressure without the sanction in writing of the Government of Madras in such case and subject to any conditions or limitations which the Government of Madras may prescribe;

(b) where the transmission or double supply line crosses or runs along the routes of inland or such as under religious processions, the wires shall be laid underground or at such height as will allow of the free and safe passage of these processions, or shall be suitably covered;

(c) in all streets and thoroughfares less than 14 feet in width for overhead wires, poles for overhead electric lines shall not be erected except with the written permission of the Electrical Inspector to the Government of Madras;

(d) in narrow lanes through which wheeled traffic is not permitted the poles shall be placed on the extreme edge of the lane and a special construction applied to keep the wires four feet clear of every building;

(e) in any street or in direct communication with overhead electric lines are run, such lines shall be run throughout on one side only except with the written permission of the Electrical Inspector to the Government of Madras;

(f) any provisions shall be taken by the licensee to avoid any possible interference with the ordinary telegraph or telephone service due to lightning effects. The power wires shall be suitably insulated where necessary; and

(g) for the purpose of rule 64 of the Indian Electricity Rules, 1922, the maximum wind pressure shall be taken as 10 lb. per square foot.

5. Gasworks.—(a) The licensee shall lay down suitable and sufficient transmission lines, feeders and distributing mains and erect the generating stations with all machinery and apparatus necessary for giving a continuous supply of energy and shall do all other works necessary for the commencement of the supply and to the satisfaction of the Government of Madras throughout such streets or parts of streets as are indicated in the first plan and as indicated in black on the deposited map. In the case of difference between the Gasworks in the first plan and as indicated on the deposited map the latter shall prevail. The licensee shall commence to execute the works shown within twelve months from the commencement of the licence and shall complete the same within three years thereof.

(b) In addition to the works mentioned in the first plan the licensee shall lay down further distributing mains to an aggregate length of (one mile) as may be directed by the Government of Madras within six months of the commencement of the supply.

(c) If the licensee fails to comply with the above provisions or should in the opinion of the Government of Madras the progress made during any portion of the said period of three years be unsatisfactory the licence may be revoked, and the severity furnished as per clause 4 (k) above included.

(4) The licensee shall submit reports every six months from the commencement of the licence until the completion of the supplementary works specifying all steps taken and the progress made in carrying into effect the licence.

9. *Generating stations.*—(a) There shall be only one generating station and it shall be located outside the area of supply in Tangalunga Road at the place marked in the deposited map.

(b) The licensee shall be at liberty to generate from one generating station energy to satisfy all or part of their requirements and buy the remainder in bulk or to generate no energy and to buy all the energy required for distribution and resale from a hydro-electric project or other source.

(c) Transmission lines from generating stations for the purpose of conveying and transmitting energy, the licensee may, after an order in writing has been made by the Government of Madras conferring upon them such of the powers referred to in section 81 of the Act as may be necessary, and upon obtaining the general approval required by section 15 of the Act, place aerial transmission lines from the generating station outside the area of supply to one or more receiving stations and for that purpose to lay down and place across any intervening area not included in the area of supply any electric supply lines or aerial transmission lines. The placement of the aerial transmission lines outside the area of supply and from the generating station and up to the one or more receiving stations shall be subject to the previous approval of the Government.

10. *Stretching up of streets and widening and closing of thoroughfares.*—(a) The licensee are hereby specially authorized to open and break up the soil and pavement of the streets not repairable by the Government of Madras or by the local authority and situated in the different villages under this licence.

(b) The length of the thoroughfare to be opened as any street at any one time and the period for which they may remain open shall be determined from time to time by the Government of Madras or the local authority by which such streets are repairable. When any street is closed not more than half the width of such street shall without the specific authority in writing of the Government of Madras or the local authority as aforesaid be closed for traffic.

(c) The licensee are further authorized to erect all rivers, streams and suspension bridges within or contiguous to the area of supply in accordance with such traditions as the Government may impose.

(G.O. No. 36, 1930, P.M.).

No. 1036.—In exercise of the powers conferred by section 5 of the Madras Registration of Deaths and Burials Act, 1929 (Act III of 1929), the Government hereby direct that, with effect from 1st December 1930, the provisions of the said Act be extended to the five villages in Rattapattinam taluk (Rattapattinam).

A. D. CREMISE,
Deputy Secretary to Government.

Port St. George, November 18, 1930.

No. 1037.—In exercise of the powers conferred by clause (4) of sub-section (3) of section 5 of the Madras Local Boards Act, 1920, as amended by Act XI of 1930, Government direct the notification extending the Thacker pamphlet in the Coimbatore district.

No. 1038.—In exercise of the powers conferred by section 10 and sub-section (1) and clause (3) of sub-section (3) of section 54B of the Madras City Municipal Act, 1919 (Act IV of 1919), read with section 10 of the Madras General Clauses Act, 1911 (Act I of 1911), the Local Government are pleased to make the following amendments to the rules for the nomination of candidates and for the conduct of electoral districts in the City of Madras

published with the notification No. 1218 of pages 117-118 of Part I A of the Port St. George Gazette of the 21st August 1929:—

AMENDMENTS.

After rule 2 of the said rules, the following rule shall be inserted, namely:—

2 A. (1) On or before the date specified in the notice under rule 2 (a) the submission of nomination papers, such candidate shall deposit, as soon as is practicable, with the Commissioner, the sum of one hundred rupees, in cash, or in Government promissory notes of equal value at the market rate of the day; and no candidate shall be deemed to be duly nominated unless such deposit has been made.

(2) If the submission of a candidate by whom, or on whose behalf, the deposit referred to in sub-rule (1) has been made, is refused, the deposit shall be returned to the person by whom it was made; and if any candidate dies before the announcement of the poll, any such deposit, if made by him, shall be returned to his legal representatives or, if none, to the person by whom it was made, shall be returned to the person by whom it was made.

(3) If a candidate, by whom, or on whose behalf, the deposit referred to in sub-rule (1) has been made, and the number of votes polled by him does not exceed one-eighth of the total number of votes polled, the deposit shall be forfeited to the Corporation of Madras.

(4) For the purpose of sub-rule (3) the number of votes polled shall be deemed to be the number of ballot papers, other than spoilt ballot papers, received.

(5) The deposit made in respect of a candidate who is not elected shall, if it is not refunded under sub-rule (3), be returned to the candidate or to the person who has made the deposit in his behalf, as the case may be, as soon as may be after the publication of the result of the election in the Port St. George Gazette, and the deposit made in respect of a candidate who is elected shall be so returned as soon as may be after the candidate has taken his seat in the Council or in pursuance of a direction by the Local Government for the return of the deposit despite the fact that the seat has not been so taken by the candidate.

Provided that, if a candidate is duly nominated in more than one division, and more than one of the deposits made by him or on his behalf shall be returned and the remainder shall be forfeited to the Corporation of Madras.

Port St. George, October 25, 1930
(G.O. No. 4187, S. & P.).

No. 1039.—In exercise of the powers conferred on him by clause (A) of sub-section (3) of section 102 of the Madras Local Boards Act, 1920 (Madras Act XIV of 1920), as amended by the Madras Act XI of 1930, the Government acting with the sanction of the Council of the Corporation of Madras are pleased to make the following amendment to rule 244 of the Local Boards Rules:—

AMENDMENT.

At the end of rule 244 of the said rules the following shall be added, namely:—

"In cases, however, where on account of extreme urgency it is considered desirable to proceed with the work in accordance with these provisions without waiting for the sanction of a formal revised estimate, the approval of the competent sanctioning authority should be obtained by a special application. A revised estimate covering the deviations should however be submitted as early as possible.

Office of the Census, Sir Government Kinnear, Bangalore,
Madras, 14th November, 1894.

(5) Any candidate who does not deliver properly towards the Chief and Assistant Superintendents of the examination an receipt of having had previous to his presentation of any book is liable to be delayed from appearing again for any of the examinations for such term of years as the Madras Service Commission may think fit; or, if the Commission are not satisfied for any reason sufficient as to the despatching of his books, he may be required to undergo a re-examination at some future date to be fixed by them in any or one or more of the subjects of the examination for which he appeared, his name as before being determined on the results of such re-examination.

(6) No candidate will, on any account, be allowed to take into the examination room, slate, book, manuscript or paper of any kind. INTERMEDIATE EXAMINATION IN ARTS AND SCIENCE (NEW REGULATIONS), SEPTEMBER 1930.

[Note—Hence in listing denote female candidates.]

LIST I.

The following is the list of candidates who appeared for the whole examination and passed in the whole examination:—

(1) Applications for certificate of having passed the examination must reach the Registrar not later than the 1st February next, & the fee of Rs. 3 will be charged for each candidate named on application received after that date. Each application should be accompanied by a certificate from a responsible officer of Government or the Principal of a High School, or College indicating the applicant with the candidate declared to have passed the examination. The certificate will be issued, after the 1st February next, to the person who identifies the candidate.

Female candidates studying in Colleges are advised to give their names and register numbers in their Principals, who are requested to send to the Registrar a consolidated list of the names of such students in the order of their register numbers, as far as to be received by the Registrar on or before the 1st February next.

(2) The Matriculation certificates, if any, and the Intermediate students certificates of the candidates will not be returned under any circumstances.)

OFFICIAL ADVERTISEMENTS.

TENDER FOR SUPPLY OF ARTICLES REQUIRED FOR THE MANUFACTORY DEPARTMENT, CENTRAL MIL, TRICHY, NUPULY, FOR THE YEAR ENDING 31st DECEMBER 1931.

Notice is hereby given that an auction will be held at 3 p.m. and also sealed tenders will be received up to 3 p.m. on 26th day the 14th December 1930 by the Superintendent, Central Mil, Trichy, for the supply of the following articles. The tender will not be considered unless accompanied by the amount money specified in the schedule in cash or bank receipt. Tenders will only be received on printed forms to be had free of cost on application. Applications should be accompanied "Form for the supply of articles to the Central Mil, Trichy". The rates should be quoted in rupees and annas for delivery at the Central Mil, Trichy, the rates being specified in words as well as in figures. Suppliers may tender for all or any one of the articles mentioned in the schedule on depositing the requisite amount. All supplies must be up to the sample accepted by them or approved by the Superintendent.

Successful tenders will be required to enter into accepted agreements with the mil within seven days from the date of receipt of intimation by them that their tenders have been accepted. In addition, they should, before signing such agreement, deposit a security of 10 per cent of the total value of the supplies undertaken. (With the approval of the Inspector-General of Prisons, the total amount may be reduced in the case of approved contractors.) Failing compliance within the time specified the earnest money may be forfeited, and in the event of withdrawal they will also be liable to pay any difference between the prices accepted and those minutely stated by the mil. The earnest money received from successful tenders will be taken towards their security deposits and there from others retained.

3. The Superintendent reserves the right to accept or reject any tender without assigning any reason.

4. Contracts should not be sublet.

5. Any rates accepted and contracts entered into will be subject to confirmation by the Inspector-General of Prisons, Coimbatore, whose decision shall also be final in all questions of this nature.

6. As the quantities given against each article in the schedule are only approximate, the contractors will be under an obligation to supply the exact requirements during the period of contract plus as much as may be needed to last for a whole month thereafter, provided, in respect of the extra quantity with written orders are given within a fortnight of the termination of the agreement. At the same time, the Superintendent shall not be bound himself to receive the quantities or numbers noted in the schedule if they are not required.

7. No article is to be supplied, if the mil except on a requisition signed by the Superintendent, or some responsible person authorized by him in writing to do so "by order".

8. No advance of cash will on any account be made to the contractors when giving orders, nor will the mil pay freight or other charges on consignments to be afterwards deducted from bills, but payment for articles delivered at the mil on order will be made promptly after they have been

TERMINES FOR THE SUPPLY OF RAW
MATERIALS FOR THE PENITENTIARY,
MADRID.

Orders received for the supply of the undermentioned articles required during the year 1931 from 1st January 1931 to 31st December 1931 will be attended by the Superintendent of Prisons, Madras, on 12th noon on the 12th December 1930.

For marking a label to show: (a) the pattern and model of the items for which they are intended; (b) the kind of small papers; and (c) the number of sheets of paper contained, by it. Each sheet of small paper should be long enough to fold conveniently at the lower $10\frac{1}{2}$ in. The binding sheet at each sheet of paper should be properly perforated so as to be capable of being easily detached from the others.

5. Examples of all other queries should have some distinctive label or mark to show by whom they are handled.

4. **ribbons**—Ribbons should be fast anywhere in the side-ribbed leaves as shown; they will be in line with the spoke termination. The ribbons should be of the standard lengths prescribed for each pattern. They should be applied in spoke which will usually be the patterns concerned. The ribbons in which channels and together of ribbons are combined should be taken to show: (a) the pattern and (b) the width of the ribbons. They are identified, (1) the width of the ribbons, (2) the width of the ribbons; and (3) the band or width of the ribbons. Each ribbon board should contain a sign having some name which will enable the manufacturer to find out the size of machines and families involved in the case of complaints, if any, should arise after use. The size of ribbons should be made to suit the machine and the number of the ribbon board should be marked on the name of the ribbon board.

8. *Stove-telny brushes*.—These should be one inch wide. The hairs of the brushes should be of superior quality. They should also be fixed in the handle of the brush so tightly and firmly as to prevent their dropping out from the brush and putting much to the cylinder or silk sheet of wooly contamination.

5. *Root separation paper*.—There should be of the size $14\frac{1}{2} \times 4\frac{1}{2}$ in. They should be brown and quilted. Each stem should be quite marked by means of silken slips. As the paper will easily absorb moisture in the atmosphere, it should be supplied in bales protected with a covering of thick oiled cloth, canvas, and planks, and hoops, etc. The packing of the bales should be very strong to prevent the seams of paper from coming detached from the bales or crushed in the bale.

—These should be supported by wooden or well board fences as otherwise the rubber pillars will be damaged by getting late contact with other pillars during early months.

10. *Cybalids stained paper*.—There should be supplied to one room set, bound leaves, each room consisting of 20 packets of 55 sheets each wrapped in grease proof paper, the sheets being interleaved with tissue paper rough on both sides.

12. Standard samples may be deposited on any working day at the Standard House during 11-30 a.m. to 4-30 p.m.

12. Assorted samples of items 22, 23, 24, 25, 26, 27 and 28 will be paid for after complete delivery of the contract. Samples of the remaining items will not be paid for whether accepted or not. Disassembled copies of items 22, 23, 24, 25, 26, 27 and 28 should be received by the Western Union personnel at Chicago. Local agents appointed by them for the purpose. The Economy Office will not undertake to return them either through its agents or by mail as the Government.

14 The tenderer should be asked not to submit "bids" but supply of *Typesetting and Disposition of material* and should specify the rates at which the tenderer undertakes to supply the services at the Government Printing Office, Madras. The tender must be sealed and submitted in the form pattern below and will be accompanied by a tender deposit of Rs. 500 and the value of the quantity tendered for in the form of stamp paper, carbon paper and loose sheets of paper; and (2) five per cent of the value of the quantity tendered for in the form of other securities.

[illegible]

18. The maximum time that will be allowed to a successful tenderer for delivery of the first instalment of the goods ordered is 105 days from the date of receipt of the order. Should a tenderer fail to supply goods ordered within the prescribed period, and in the required quantities, the Superintendent of Storeworks shall be at liberty to procure the quantities required from any other source and to recover from the successful tenderer the extra charge, if any, incurred in the transaction, without being under any obligation to pay to the successful tenderer any sum that may be deemed by such a tribunal.

19. The successful tenderer will be required to deposit immediately ten per cent of the value of his tender or of the quantity ordered whichever is higher together with the customary stamp duty and to sign a coupon bond (the form of which can be seen at the Storeworks Office) within fifteen days from the date on which he is informed that his tender has been accepted; otherwise, his tender deposit will be forfeited to Government and his tender will be considered as awarded. On receipt of the security deposit of ten per cent as above, the tender deposit will be returned.

20. Unpaid deposits of unsuccessful tenders will be returned to them.

21. The actual quantities required will be intimated to the contractor from time to time. They must be delivered at the port and risk of the contractor at the Storeworks Office, Madras, previously to the date fixed in the notice award, failing which the terms of the contract bond will be strictly enforced.

22. The Superintendent of Storeworks reserves to himself the right of rejecting any tender without assigning any reason for so doing.

23. The quantities for which tenders are invited are only approximate. They may vary from the quantities actually required.

24. The tender deposit should be furnished in the shape of "Imperial Bank of India Receipts" and the Bank receipts sent to the Superintendent of Storeworks who will not return any such as order deposit. The tender deposit should, in no case, be enclosed in the bid or packet in which samples are submitted.

25. Along with the tender, each tenderer should send a complete list of samples furnished by him so as to ensure that all samples received are tested.

26. Samples should bear the very same marks as are borne by the accepted samples and should be equal in quality to the latter.

27. The packing cases in which goods are delivered are Government property and will not be returned to the contractor. All supplies should be made in packing cases.

28. Every tenderer should give a declaration in writing at the time of his tender that he will not claim any enhancement in price on account of increase in freight or customs duty, etc., at date of supply.

29. The Superintendent of the Storeworks Office may grant awards independent of supplies made or orders to contractors. But such acknowledgments are subject to acceptance or rejection after test. Any supplies made in violation of orders will be rejected.

30. The rates tendered shall stand for any orders placed at any time after acceptance of the tender up to 31st March 1937.

FORM OF TENDERS.

Tender for the supply of goods.

To the Secretary of State for India in Council.

I, _____ of _____ hereby declare and agree on the acceptance of this tender by the Superintendent of Storeworks, Madras, on behalf of the Secretary of State, to supply to the

Secretary of State in accordance with the conditions at contract dated before the goods or materials hereinafter specified and to work and after the rate or prices hereunder specified and I hereby forward the sum of Rs. _____

as earnest-money to be returned to me by the Secretary of State at this tender is not accepted:—

Description of goods or materials.	Quantity or area.	Rate or price (in Rupees and pence) in words.	Total quantity or number to be supplied (if known).

CONDITIONS OF CONTRACT.

1. This contract is to last for twelve months beginning 1st April 1937. In the event of any breach of agreement at any time on the part of the contractor, the contract shall be determinable by the Superintendent of Storeworks, Madras, for and on behalf of the Secretary of State without compensation to the contractor. The contract may also be put an end to at any time by the Secretary of State upon giving him days' notice to the contractor.

2. The goods or materials to be supplied under this contract are to be of the quality or such other as specified and in every respect equal and comparable to the patterns or samples sent with the tender and such as the Secretary of State or any other duly authorized by him shall approve.

3. The goods or materials are to be delivered at the Storeworks Office, Madras, free of charge to the Secretary of State and at the contractor's risk, on such quantities or numbers at such times and in such manner, as the Superintendent of Storeworks, Madras, or any one duly authorized by him shall from time to time order.

4. Rejected goods or materials shall be removed by and at the expense of the contractor within seven days after notice shall have been given him of the rejection. If not so taken away, the Superintendent of Storeworks may cause the goods or materials to be removed and change the contractor with all expense incurred at such removal.

5. In case of failure by the contractor to deliver goods or materials demanded from him within the period limited for delivery or in case of goods or materials delivered by him not being of the stipulated quality, weight or measure or in case of goods or materials being delivered without a correct invoice or duplicate, the Superintendent of Storeworks or any one duly authorized by him shall have power to reject the goods or materials or to reject or not deliver unless the contractor shall himself forthwith supply others that shall be satisfactory and satisfactory and any amount of such as incurred by the Secretary of State over the contract price, together with all charges and expenses attending the purchase, shall be recoverable by the Secretary of State from the contractor.

6. The contract or any part, share or interest in it is not to be transferred or assigned by the contractor directly or indirectly to any person or persons whatsoever without the written consent of the Superintendent of Storeworks, Madras.

7. With every delivery of goods or materials under the contract, it is to be duplicate and to be sent by the contractor. The duplicate will be returned by the Superintendent of Storeworks with the quantities or numbers received duly noted.

N. ANNAPURAI ATTANUAI.

Officiating Executive Engineer, Ceylon Water
Department.

Sinhala, 15th November 1933.

TENDERS FOR FORMING ROAD, CULVERTS, ETC., IN BLOCK No. 1 OF THE NEW BUILDINGS SITE, KILNOY.

Tenders will be received by the Executive Engineer, Ceylon Water, at his office, Colombo, up to 2 p.m. on 20th December 1933, for forming roads and culverts, etc., in Block No. 1 of the New Buildings Site, Kilnoy.

1. The tender should be submitted in sealed cover, the name of the tenderer, his complete postal address and the name of the work being tendered on the cover and should be addressed to the Executive Engineer, Ceylon Water, Colombo. The covering letter with which the tender is submitted should be in the prescribed form submitted by him to the Executive Engineer, Ceylon Water, Colombo.

2. Each tenderer should pay an earnest money of Rs. 500 (payable in kind only) into a Government Treasury or sub-treasury in the Eastern Division in the name of "Executive Engineer—Kilnoy" with the tender of the work forming roads, culverts, etc., in Block No. 1 of the New Buildings Site, Kilnoy, in favour of the Executive Engineer, Ceylon Water, Colombo. The receipt obtained should be submitted to the tenderer. In the case of parties whose names are not amongst the current money will be refunded by the Treasury Office concerned on the submission of the Executive Engineer, Ceylon Water, Colombo. The tenderer will be informed of this submission. The earnest money of the successful tenderer will be retained as security for the due fulfilment of the contract.

3. Other conditions of contract and the estimated documents may be seen at any time between 12 noon and 4 p.m. on office days in the office of the Executive Engineer, Ceylon Water, Colombo, from which blank forms of tenders can be obtained free of cost. A set of drawings and specifications can be purchased for Rs. 10.

4. Every contracting tenderer is expected to look into drawings and other documents and inspect the site of the proposed works and examine to satisfy himself about the quality of the materials and their availability at the place before he quotes his rates.

5. The work should be completed and handed over to the Public Works Department by the contractor by the end of February 1934 being which a penalty

of Rs. 5 per day will be levied and will be deducted from the contractor's retained sum till the work is completed and handed over to the Public Works Department. The contractor will also forfeit the security of his sum deposited by him if he fails to complete the work by the time fixed. The successful tenderer reserves the right to grant to himself extension of time in accordance with the above.

6. In the event of a tender being submitted by a firm, it must be signed separately and correctly by each member thereof, as in the event of a tender being submitted by a person, it must be signed on his behalf by a person holding power of attorney authorizing him to do so and a copy of the power of attorney should also be produced along with the tender documents.

7. Tenders will not be taken of any tenderer who has been previously debarred for cause and shall be void if submitted by the contractor.

8. No tenders which are made by the tenderer in the tender documents will be returned, unless they are submitted, and, if such tenders are made, the tender will be liable to rejection.

9. The contract should not be made.

10. The Executive Engineer will reserve to himself the right of rejecting all or any of the tenders without assigning any reasons for so doing.

11. The successful tenderer will be required to sign an agreement in the proper document form (K. 1) for the due fulfilment of the contract.

12. Tenders by which successful tenderer is made with the condition 12 above within twenty days from the date of posting of the final award of acceptance of the tender will retain forfeitures of the earnest money (Rs. 500).

Notes.—The tender should, when required, be submitted in sealed cover, the name of the tenderer, his complete postal address and the name of the work being tendered on the cover and should be addressed to the Executive Engineer, Ceylon Water, Colombo.
